Overview

The XBRL US GAAP Taxonomy (US GAAP Financial Statement Taxonomy) has been updated for (1) new accounting standards, (2) bug fixes, and (3) other updates that improve the usability of the taxonomy and resulting tagged information for companies, investors and analysts.

Beta Testing

The following signed a confidentiality agreement in order to participate in the Beta Testing:

- Business Wire
- CompSci Resources, LLC
- EOL
- Merrill Corporation
- UBmatrix, Inc.

Team

The XBRL US GAAP Taxonomy 2009 Release was created by the following individuals:

- Greg Saunders
- Louis Matherne
- Joel Stiebel
- Christine Tan
- Stuart Zatkow
- Phillip Engel
- Miho Saito
- Hugh Wallis
- Campbell Pryde
- Carolyn DeVito

All of these individuals signed an XBRL US Participants Agreement and/or revised Statement of Work – Amendment to the Participants Agreement.
